In rare photographs, for this January of 1992, there is ice on the harbor in Marion. The frigid air that came in on Friday and Saturday congealed the harbor shore as these photos of the harborside of Tabor, at top, and the ways at Barden's Boat Yard, at bottom. All of the visible boats at the yard are buttoned up for the winter but the craft in the water is warming her engines, creating a rising plume of smoke and some ripples on the unfrozen water at her stern.

Winter seems to be arriving.

Complaints against Appeals Board

MATTAPOISETT SELECTMEN'S MEETING
JANUARY 14, 1992-by VIRGINIA MORGAN

Complaints were received last Tuesday by two homeowners rebuilding in the aftermath of Hurricane Bob, saying to selectmen the Board of Appeals has created a stumbling block in their plans.

The first complainant, Mr. Edward T. Bayly, Sr. of Attleboro, who has a summer home at 6 Island Street, Crescent Beach, has filed, with his wife Barbara Bayly, to build a year-round home on a different location on his 10,000 square foot lot to comply with zoning setbacks. He has filed for a special permit to build a two-bedroom structure. He claimed the hearing went O.K. but that during deliberation when neither the petitioner nor public can speak, the appeals board started setting conditions on the construction.

Building Inspector Andrew J. Bobola said the Title V septic system was prepared by a certified engineer and meets Board of Health rules for the lot. The appeals board had a problem with the additional den and increase density of use, four times the square footage than the previously constructed summer home. He noted there are eight people, six children, but that the system is adequate for a three-bedroom house.

Mr. Bayly said there are other neighbors with the same problems. "Why do we go to an engineer, when the appeals board can place water saving conditions on the septic system", Mr. Bayly asked.

Selectmen recommended Mr. Bayly request another hearing to present additional information before a formal decision is reached.

Selectmen pointed out that under state statute they cannot tell the building inspector or appeals board what to do.

The second complainant, Leonard Sollitto of Bay Street, Crescent Beach, was accompanied by Board of Health members. Health Board chairman Robert Field explained engineer-approved applications have been approved by the board under Title V, and now the appeals board is setting their own requirements.

Health Board member Daniel C. Lee said "The chairman of the appeals board is overstepping her bounds concerning title V rules. We are meeting with the appeals board to get things straightened out." He noted a lot of these conditions cause unnecessary expense if a homeowner goes to court.

Mr. Sollitto related he couldn't speak during the deliberation and became very frustrated when the chairman started to propose conditions. His complaints echoed those of Mr. Bayly in the earlier part of the meeting.

Selectmen recommended Mr. Sollitto request his special permit hearing be reopened, noting the decision was based on misinformation. This will slow the case up before it is officially filed with the town clerk, Selectman Daniel Mahoney said.

In other business, selectmen:

MET WITH THE Finance Committee to discuss the fiscal 1993 budget for the May 16th annual town meeting. Finance Committee chairman Robert Banz said his committee is asking department heads not to overspend their present fiscal 1992 budgets (ending June 30, 1992).

Mr. Banz said they are planning to hold a joint meeting with department heads on January 23rd in an open session to explain in capsule the fiscal situation. Departments will have trouble maintaining a flat budget.

Mr. Banz said "we may recommend all budgets be level funded; any wage increases be only if funds are available; this includes elected officials. We are looking for selectmen's support."

Selectmen Chairman John DeCosta said, "This is the sad part. Unions negotiate raises, but non-union employees get no raises. In my personal opinion, if you're going to forego raises, all should be level-funded." Mr. Banz said he agreed and the alternative is laying off people.

Finance Committee member Peter Kortright said, "Even if everyone went up only 2½ percent to level fund, we would still have to have an override vote. We have to dig deep to find out what other communities are doing. We may have to get more creative, perhaps privatize like the state is doing."

Mr. Banz said some budgets are beyond "our control"; the ORR budget is up four percent, even though our student population is dropping; Blue Cross is up 10 percent; town insurance, 10 percent; retirement costs up $60,000. He said there is very little in free cash at this time, $4,632; stabilization fund, $63,926. Mr. Banz said his assumption is that revenue shortfall will be somewhere around $100,000, with lower new growth and lowered level of receipts.

Mr. Mahoney commented perhaps we could open the town beach in the same manner as last year; no fee but posted swim at own risk. Mr. Kortright suggest-

ed privatizing the beach. Selectmen did not feel an override would pass, considering one did not pass last year to fund the beach operation.

Executive Secretary Carol Adams reported there is a problem in getting out an annual report as no funds were voted last year to print the report; the $9,000 was cut from the budget. She said state law says we must print one copy. She said perhaps she could print some copy machine copies for the public.

A suggestion was made to consider selling copies for a small fee to cover printing costs. Selectman Mahoney generously offered to have his law firm, Palmer and Dodge, print 1000 copies. Normally, the town prints 2,800 copies, Carol said. The finance committee is including the $9,000 in fiscal 1993 budget to print reports.

HEARD A REPORT from Selectman Mahoney on the serious condition of the gazebo at Shipyard Park. The board voted to declare the gazebo in need of emergency repairs giving them the right to waive the procurement law (bidding process).

Mr. Mahoney said the gazebo pillars are in shaky condition and one is off its base. If one should move during a windstorm, the concrete ceiling could collapse. This is a

The proposal is to have Fisher and Rocha rebuild it and bill the town at a reduced charge for labor and materials. Bruce Rocha will do the work on his own time. Mr. Rocha was the original builder of the gazebo in conjunction with the Lions' Club.

APPOINTED Claire E. Bessette to the Arts Lottery Council, term to expire April 30, 1994. She was recommended by co-chairman Deborah Chase. Mrs. Chase noted Claire has served on this council in the past and, as required by state regulations, she has been off the board for a year and can now be reinstated.

Account of Police Harassment

MATTAPOISETT SELECTMEN'S MEETING
JANUARY 14, 1992-by VIRGINIA MORGAN

In a surprise request for an unscheduled open meeting, Wayne R. Vieira of 112 Marion Road, a former police officer, his friend, Lisa Bednarz, and several others sought to speak to the Board of Selectmen on a personal matter. This matter has never been in executive session, said Chairman John DeCosta.

Mr. Vieira was outspoken and obviously angry at the police department, who he accused of harassing him, his friends and specifically for not returning his briefcase. He said his briefcase was in his auto when police stopped Lisa. The car was searched and his briefcase is now missing.

Mr. Vieira continued, saying "On July 26 my home got raided by the police department and tore my house to shreds, with no arrest warrant or search warrant." He said he spoke with State Attorney Mark Sweeney who informed Mr. Vieira to go to local authorities. He claimed there was $10,000 damage done to his home.

The property Mr. Vieira charges has not been returned to him from the June 22 car stop and the raid includes $40,000 worth

of jewelry, four guns, and a briefcase containing $1,380 in cash, more jewelry, keys to a safe deposit box and mailbox, and personal papers.

Mr. Vieira said his concerns had no bearing on the drug trials he has been involved with in the past months. "Only my briefcase", he said. Although Mr. Vieira said the complaint was on the police log, Police Chief James F. Moran said on Wednesday that no formal complaint was made to the department on the log but that Mr. Vieira had mentioned it to him out of the office. Mr. Vieira also said that in court Sgt. Edwin Pina told him he would get his belongings back, "and now Pina won't talk to me".

Mr. Vieira said his 13½ years on the police department were good years, with one of the best departments in the state. "But, I've been getting no cooperation on returning my briefcase and especially the $40,000 worth of jewelry. I have received no receipt for my briefcase." A second accusation by Mr. Vieira was that the police officers beat and stabbed his girlfriend, Lisa, during the raid at his house.

Selectman Daniel O. Mahoney informed Mr. Vieira "you won't get your property back without a list. Get a typewritten list and give it to executive secretary Carol Adams. This has been a one-sided accusation and needs comments from the police chief."

Mr. Vieira said "I appreciate your time and anytime you want a meeting I will attend. What can I do? I'm only one. I know there will be more harassment charges coming up. This police department is not a gestapo. It needs a thorough internal investigation up there", pointing in the easterly direction towards the police station.

When contacted on Wednesday, Chief Moran said, "I have not heard any formal accusations reported by selectmen on Wayne Vieira's comments Tuesday night, so the only comment I can make is that this police department did not take and does not know where Vieira's briefcase is. This is a totally false accusation about the briefcase." He did say the girl, Lisa, was driving Vieira's car, but there was no briefcase in it at that time on June 22.

"On the second accusation about breaking into his home at 112 Marion Road, this is also inaccurate. We did have a search warrant and whatever was taken is on public record. If Vieira has a formal complaint he

New Tax Rate Announced

Mattapoisett Board of Assessors Chairman Harvey J. Blanchette has announced the new tax rate for fiscal 1992 (ending June 30, 1992) at $9.49 per thousand, and has been certified by the state Department of Revenue.

"We are very pleased with this figure", the chairman said, noting it is only a small increase over the $9.02 per thousand for fiscal 1991 and less than the $10.30 for fiscal 1990, due to the revaluation.

In November 1991 estimated bills were sent out based on the $9.02 rate. The new tax bills will go out as soon as possible, said the chairman, and will be higher, thus reflecting the .47 per thousand increase.

seeks to oppose Mr. Blanchette as Assessor; Daniel C. Lee, Board of Health, incumbent; Paul Magee, Constable, incumbent (two are to be elected), Marshall W. Pryce, Tree Warden, incumbent; and Donald C. Wood, 3 years, Water/Sewer Commissioner, incumbent; Clara Morgan, 3 years, Mattapoisett School Committee, incumbent.

William H. Matthews will not be seeking re-election to a five-year term on the Planning Board. "There is a lot of talent out there, and it's time to give someone else a chance. I personally feel there should be limits to the time holding certain offices. I feel I've contributed to the town, having been on the Planning Board during the preparation of two Master Plans for the town and served on the Old Hammondtown School Building Committee", said Mr. Matthews.

He first served on the Planning Board for 10 years starting in 1961, then took 10 years off, then ran again for two more terms to complete 20 years in the office. "It's time to give someone else a chance to serve. I've met a lot of nice people and have no complaints. It's no cream puff of a job but there is a lot of work to be done."

Others up for re-election who have not taken out papers as of this date include: Mark E. Whalen, 3 years, Mattapoisett

over the next three years.

I am, and always have been, a community minded person. I love the Town of Mattapoisett and the people in it. Being elected selectman allows me the opportunity to serve the town and its residents to the best of my ability. The experience I have gained working with town budgets will enable me to better assist during the town's difficult financial times ahead.

I am a former member of the Executive Board of the Massachusetts Selectmen's Association, past President of Plymouth County Selectmen's Association, and am currently the Chairman of the Plymouth County Advisory Board. I have served in both capacities for fifteen years.

It has been an honor serving as a Selectman in Mattapoisett, and I look forward to this privilege as I seek a sixth term.

I ask for your support in my bid for re-election.

MATTAPOISETT

The dictionary defines "euphemism" as a word or phrase "that is less expressive or direct but considered less distasteful or less offensive than another". We use many euphemisms in our lives, and mean no harm by that. In the process we cover parts of ourselves and our actions, softening the reality of what exists around us, and what we perpetrate. Words can shape our perceptions, and color the way we respond to important phenomena. What is needed now is a more fearless approach to evaluating our lives, and changing what we must. Easy formulas like "don't worry, be happy", just are not enough.

The title of the sermon this Sunday at the Mattapoisett Congregational Church is "What Words Can Do". Our worship service begins at 10:00 a.m. and the crib room is available.

School the Special Needs Parents Advisory Council will host the first in an informal series, "Lectures in the Library".

Jack McCarthy, Ph.D will lead a discussion-type lecture entitled "Ask the Therapist". So often family therapy is helpful in today's society for a multitude of life issues including divorce, death, self-esteem, as well as adjustment and planning for the family with a physically handicapped or learning disabled child.

A graduate of Holy Cross College with a Ph.D from Boston College, Dr. McCarthy has been in private practice of individual, couples, and family therapy with Southeastern Counseling Associates since 1983. Prior to that he worked with oppositional conduct-disordered adolescents for nine years in the Dartmouth school system. From 1980-84 his experience at the New Bedford Area Center for Human Services was with young adults who were suffering from major mental illnesses.

He has received post-doctoral training at the Family Institute of Cambridge and the Boston Psychodrama Institute. Dr. McCarthy recently co-authored an article "Out from Behind the One Way Mirror" which has been accepted for publication in the Journal of Strategic and Systemic Therapies.

The Friends of the Elderly believe that this is an extremely important cause and would appreciate any handwork you would like to contribute.

These students are: Deborah L. Reardon of Marion, Lisa J. Downing and Brenda A. Medeiros, both of Mattapoisett, and Christina A. Giguere and Christine J. Sibiga, both of Rochester.

A student is placed on the Dean's List for the semester if an average grade of 3.20 or better is attained, and the student is attending the college full time.

Fitchburg State College has 3,400 day students enrolled in 20 academic majors, with another 3,500 students attending graduate and continuing education courses annually. The college was established in 1894.

and historical ruins, Fran will introduce his audience to a multitude of Portuguese from all walks of life.

In mainland Portugal he travels from the fireworks factory of Viana do Costello in the north to the posh resorts of the sunny Algarve in the south. Fran also visits a cork farmer, Portugal's second largest industry, and a master craftsman who works with mosaics and porcelain tiles. He'll share with his audience the magnificent scenery of Madeira, and its famous exports of wine, embroidering and wicker ware. In the Azores, Fran will tour its capital, Ponta Delgada, the steaming mineral springs of Furnas on Sao Miguel, the streets of Terceira with its bullfighting, and the newest part of the Azores - the black sands on Fayal created by a two-year volcanic eruption.

The Travelogue series will continue with "The Voyage of Columbus" on Friday, February 28th, and ending with "A Grand Tour of Europe 1892" on Friday, April 24th.

Tickets for the Travelogues are $7.50 each, general admission; senior/student tickets are $6.00; group rates are available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

Romantic Art Lecture/Lunch

FEBRUARY 14 AT HERITAGE PLANTATION

"Romantic Rendezvous: An Art History Lecture Coupled with a Delectable Luncheon" will be presented Friday, February 14th, at 11:00 a.m. in the theatre of the Round Barn at Heritage Plantation.

Ronnie Zakon Siegel, Art Historian, will explore love themes in art through the ages, from Titian in the Renaissance to Rubens in the Baroque to Watteau in the Age of Rococo. The goddess of love has long inspired artists in pursuit of romance, beauty and perfection. Join us on St. Valentine's Day for this romantic slide/lecture. Then feast on an array of epicurean delights garnished with lush, red love apples and satiny black olives at a titillating luncheon to round out this romantic rendezvous.

Mrs. Siegel is always a welcome guest at Heritage Plantation. She is a graduate of Smith College with an M.A. in Art History from Yale University.

The cost for both the lecture and luncheon is $18.00 for members and $25.00 for non-members. Please call 888-3300 to reserve a space. Registration deadline is February 7th.

penses determined on a case-by-case basis which are necessary to support a reasonable quality of life. Exclusion of a child's income in these cases will result in higher pension benefits to veterans and surviving spouses.

This change does not affect service connected disability and death benefits since income is not a factor in determining eligibility for these programs.

Pension benefits are paid to veterans who served in wartime who are permanently and totally disabled due to non-service-connected disabilities and to survivors of wartime veterans whose death was not service-connected. Pension benefits are based on need, and income limits vary according to the number of dependents. The income limit for a family of four, for example, is currently $12,205 per annum.

Volleyball for Kids' Sake

Jose Castelo, president, ERA Castelo Real Estate, and Maria Correia, property manager Solemar, join forces to chair New Bedford Child and Family Service's Big Brother/Big Sister Volleyball for Kids' Sake fund-raiser.

The event, to be held February 29th and March 1st at New Bedford High School, gives area sportsmen (and good sports, too) the opportunity to raise money to support the Big Brother/Big Sister program.

Big Brother/Big Sister is a preventive program for youngsters between the ages of 6 and 14 who live in single parent homes. We all know the problems facing today's youngsters. Having a Big Brother/Big Sister improves a child's self esteem and encourages school success. The program is funded through the United Way and fund-raising efforts. Last year over $16,000 was raised to provide adult role models and mentoring opportunities to over 250 New Bedford area youngsters.

According to Mr. Castelo, a member of the Agency's board of directors, Big Brother/Big Sister provides 250 youngsters with adult role models and mentoring opportunities. "With a dropout rate of over 30 percent, it is imperative to do all we can to encourage children. Reaching children at an early age is far more economical than having to invest in youngsters after they are in trouble."

Ms. Correia encourages you to call her for details about playing. All levels are

All of the School Time Performances open with a live organ recital on the theatre's restored Grimshaw-Gudewicz Wurlitzer Theatre Organ performed by members of the Southeastern New England Theatre Organ Society, the caretakers of the organ.

Theatreworks/USA's new musical, "Class Clown", opened to rave reviews this past summer in New York. The play is about a bright and charming 7th grader named Nick. Always the "class clown", he has dealt with any situation by telling a joke or flashing a smile. But he has a problem that is becoming increasingly hard to handle. Nick can't read. The company presents this topical musical with sensitivity and its message is strong and clear: young people with reading problems needn't be afraid to admit it. There is help available out there and, although it may not come easily, there is a solution to the problem. Theatreworks/USA has been a Zeiterion favorite since the School Time Performance series began. Their musical is geared for ages 9 to adult.

A gifted entertainer, Tom Chapin returns to the Zeiterion with his music for the entire family. "Billboard Magazine" describes him as "one of those natural-born entertainers who, with nothing more than guitar in hand, can totally captivate". Tom has gained widespread critical and popular acclaim for his three A & M releases: "Family Tree", "Moon-

boat", and "Mother Earth", aimed at 4 to 11 year olds and their families. He is also well-known for his Peabody and Emmy award winning children's show, "Make a Wish". More recently Tom hosted National Geographic "Explorer" series as well as its syndicated counterpart, "On Assignment". Tom has also worked with the Smithsonian on their Wild Heritage Collection of storybooks and tapes which teaches children about the environment. In addition he works on behalf of many charitable organizations, primarily as a member of the Board of Directors of WHY (World Hunger Year). This New York based hunger organization was founded in 1975 by Tom's brother, the late singer/songwriter Harry Chapin. His Zeiterion concert is for younger students - kindergartners through fourth graders.

The Zeiterion Theatre, a non-profit performing arts center for southern New England, is located at 684 Purchase Street in historic downtown New Bedford. The theatre is wheelchair accessible.

The Zeiterion Theatre is funded in part by the Massachusetts Cultural Council, a state agency, and with funds from the Council administered by the Arts Lottery Councils of Acushnet, Freetown, Mattapoisett, New Bedford, Rochester, and Wareham, the City of New Bedford, the New England Foundation for the Arts and the National Endowment for the Arts.
